

## **2018 MakeX World Championship Announcement of Tasks**

2018 MakeX World Championship is going to be held at Nansha Stadium, Guangzhou on December 7th-9th, 2018.

With the theme being Blue Planet (for primary school group and junior high school group), 2018 MakeX Championship sets tasks as follows:

### **1. Primary School Group**

Each team needs to perform 4 independent tasks and 2 alliance tasks:

#### **Independent Tasks**

- Garbage Sorting
- Dismantle Aging Thermal Power Station
- Monitor Groundwater Quality
- Unknown Task (draw a random task on the spot)

#### **Alliance Tasks**

- Tree Planting in Desert
- Forest Dance (At the stage of Championship Match, this task will be

---

replaced by drawing a random new task on the spot)

## 2. Junior High School Group

Each team needs to perform 5 independent tasks and 2 alliance tasks:

### Independent Tasks

- Garbage Sorting
- Dismantle Aging Thermal Power Station
- Monitor Groundwater Quality
- Checking Air Quality
- Unknown Task (draw a random task on the spot)

### Alliance Tasks

- Tree Planting in Desert
- Forest Dance (At stage of Championship Match, this task will be replaced by drawing a random new task on the spot)

### Notes:

For any detailed description and scoring standards about tasks shown above, please download Rule V1.3 on <http://www.makex.cc/en/> and read in details.
